Access Permissions

Manage permissions for fleet managers, drivers

RELIABLE ELD Inspection Mode

- ✓ Change your status to ON DUTY, tap "Reports" in the menu & press Inspect logs. Let an officer to view your logs directly from your mobile device. Show this instruction card if requested.
- ✓ An inspector may press arrows to view previous or next day's logs.
- ✓ An inspector may view the log form, the log graph and the log events with notes.
- ✓ Exit the inspection mode by pressing back arrow in the left top corner of the app.

Send Logs

RELIABLE ELD is capable of producing and transferring the ELD records via telematics transfer methods: Wireless Web services and Email. In order to send the ELD records via Web services a driver must change status to ON DUTY, press "Reports" menu item, then select Web-service item then press "Send logs" button. In order to send the ELD records via Email a driver must change status to ON DUTY, press "Reports" menu item, press "Email Logs", enter an email provided by an authorized safety official and press "Save" button.

RELIABLE ELD Malfunction Manual

In accordance with the guidelines set forth in 395.34

✓ Malfunction indication

Immediately contact the support if LED light on the device is off when the device is plugged into the diagnostic port or if the malfunction reported by the app.

✓ Note the malfunction

Note the malfunction and provide a written notice to your fleet within 24 hours.

✓ Switch to paper logs

Keep a paper log for that day and until the device is repaired or replaced. In the event of an inspection, display the previous 7 days from the app.

✓ 8 days rule

In the event of an ELD malfunction, the motor carrier must take actions to correct the malfunction within 8 days of discovery.

ELD Components

Things You Need To Stay Compliant

Logging Device

Simply plug Electronic Logging Device into a vehicle ECM port and start recording driving hours and miles automatically.

Logbook App

Logbook app connects to Electronic Logging Device via bluetooth and displays recorded driving time to a driver.

Tablet/Smartphone

ELD & App work great with most tablets and smartphones. Use your own or purchase devices and data plans from us.

Install & Connect ELD

ELDs are installed within minutes

✓ Locate ECM (diagnostic) port

Locate ECM (diagnostic) port inside of your vehicle. Look for 9-pin or 6-pin circular ports in heavy duty vehicles. Look for OBDII port in light/medium duty vehicles.

✓ Install ELD

Simply plug the provided cable into a vehicle ECM (diagnostic) and attach the other end to the ELD device. The dual fastener is provided for dash mounting.

✓ Log into ELD Logbook App

Log in to ELD Logbook App on your tablet/smartphone with a username and password created during a sign up process or provided by a fleet manager.

✓ Connect ELD

Select a vehicle from a list of available vehicles and your device will attempt to connect to ELD via Bluetooth. Green Bluetooth indicator at the top right corner means you are ready to start using ELD.

Driving with ELD

- ✓ Once ELD connected, your driving time will be captured automatically.
- ✓ Once your vehicle is moving at 5 mph or more, your duty status is switched to Driving.
- ✗ Your logs and others features are not available while in Driving mode due to safety reasons.
- ✓ Once your vehicle is stopped, you may change your duty status by tapping on the status circle. The app will remind you to make a selection in 5 minutes. If no selection is made, your duty status will be switched to On Duty.

Hours

Available driving hours, required breaks, on-duty limits and required off-duty time are calculated automatically

Warnings

Visual notifications and sound warnings help you to avoid hours of service violations and stay compliant

Duty Status

Set duty status with just two-clicks. Status is updated automatically when driving starts or stops, Easy-to-use interface allows drivers to spend less time doing paperwork and more time driving. ELD simplifies training and prevents log errors.

Current Status

Current duty status is always displayed on Status page along with available or reset hours.

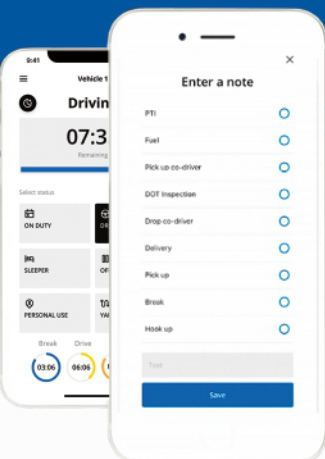

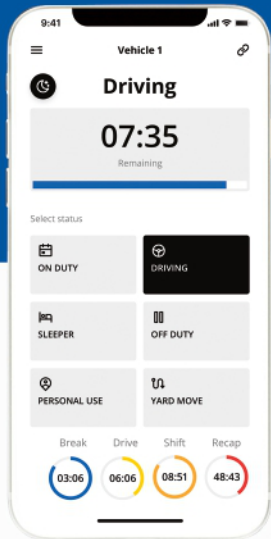

Change Status

Select your current status and choose note from modal window

Personal/Yard
